

IMPORTANT MESSAGE FROM AMON CHIROPRACTIC & WELLNESS CENTER  
REGARDING COVID-19/CORONAVIRUS

The U.S. Department of Homeland Security has deemed chiropractors as essential workers during this pandemic, and the American Chiropractic Association (ACA) and National Chiropractic Mutual Insurance Company (NCMIC) are working with doctors of chiropractic and their offices through out the country during the COVID-19 outbreak.

As a result, Amon Chiropractic & Wellness Centers is open Monday, Wednesday and Friday to see patients. Our hours may change depending on patient need and flow. We remain committed to providing the best and safest chiropractic care within our office.

As a precautionary measure, we are maintaining:

- Social Distancing
- One patient every 30 minutes
- No one waiting in the waiting room
- Patients are asked to come in alone
- All surfaces are cleaned/disinfected between each patient
- Staff is wearing masks
- Hand sanitizer in the waiting area
- Patients are required to wear masks
- Anyone having any respiratory symptoms or not feeling well are asked not to come in
- Temperature is taken on each patient and staff

We are closely monitoring recommendations and protocols established by the U.S. Centers for Disease Control and Prevention (CDC), State and Local authorities, and authorities within the chiropractic profession.

Thank you on behalf of everyone here at Amon Chiropractic & Wellness Center for your trust, support and patience through these unprecedented times.
